

# WADI

## **TYPE**

non-folding

## **FILLING**

SoftLayers™ system – a composition of specially selected flexible foams to ensure the best comfort  
selected natural feathers of high elasticity class/possible replacement with antiallergic filling

## **FRAME**

metal, mat black color

Wadi collection includes a double and triple sofa, an armchair and a pouf. Regardless of the space, Wadi will not dominate it and will become a distinctive element of the interior. Its characteristic form consists of a combination of narrow modules. It is super comfortable and the covers are removable for maintenance. Wadi collection is designed and produced within the circular economy model and has been recognised with prestigious awards - Must Have 2020 and Good Design 2020.
