SoftLayers™ system – a composition of specially selected flexible foams to ensure the best comfort

selected natural feathers of high elasticity class/possible replacement with anti-allergic filling

LEGS

metal, ral 9006 grey mat color

Aero is a universal sofa with a strong personality. It is worth paying attention to the decorative reverse stitching, enriched with thick threads. This makes that the imperfections as if the cover is put the other way round. This model seems to be floating above ground because it is supported on modern, straight legs made from durable, powder-coated metal. The Aero sofa is a universal model which may be interpreted with the modern, elegant, classic and traditional style.
