BOLA

TYPE
folding / non-folding

FILLING
flexible stripes
SoftLayers™ system – a composition of specially selected flexible foams to ensure the best comfort
selected natural feathers of high elasticity class/possible replacement with anti-alergic filling

**LEGS**
solid oak wood, black color

The Bola sofa features a modern design combined with practicality and functionality. It is available in both a non-folding, and a folding version. The sleeping function is the sedaflex system, equipped with a foam mattress with a height of 10 cm, it is intended for naps. Bola is a convenient and comfortable sofa, among others thanks to its ergonomic backrest, which fits the person sitting on it perfectly. The modern style, and carefully designed details, which characterize this model, will satisfy the needs of even the most demanding enthusiasts of the contemporary industrial design. One detail distinguishing this sofa is its special pocket sewing, used to finish the sofa's sides and backrest.
